August, 2007

Dear All

Welcome back to another MSO season.

Rehearsal/Concert Schedule

Please find enclosed the 2007/08 Season Rehearsal & Concert Schedule. Note the necessity this season of rehearsing on 21st February 2008 during half term.

Subscriptions

Subscriptions for player members are increased from £50 to £55 p.a. However, if payment is made by the first concert on Saturday, 13th October, the amount will remain at £50. Please ensure that you have completed the necessary Gift Aid form. Forms are available from Norma Jones.

Music Stands

In the event of any Thursday/Sunday rehearsals having to be relocated somewhere other than Invicta Grammar School, it will be the responsibility of player members to provide their own music stands.

Welcome!

A special welcome to Alex Fender as Concert Manager and (once again) Philip Lee, Leader.

Recruiting New Players

I encourage you to be on the lookout for players of high standard to join in our music making, especially violins and violas. We are fortunate in having so many subscribing members but we mustn't become complacent...things can change quickly!

I believe that MSO has reached even greater heights of excellence last season. It's a real honour to serve the orchestra as a playing member and Chairman and I look forward to another exciting season.

See you on 6th September!

All the best,

Steve Migden
Chairman
