Maidstone Orchestral Society (MOS) and Kent Music are thrilled to invite you to a Piano Master Class run by International Soloist Maurizio Baglini. If you would like to attend the Master Class, please indicate on the tear off slip below. Three lucky children will be invited to take part in the Master Class. If selected, you will be notified during the second week of May 2010 and given further information then. This event is primarily aimed at children aged 9-13, but of course we would welcome any who feel they would benefit from the experience. Places are £5 per child, any accompanying adult is free. All children attending the Master Class are invited to the concert of Maidstone Symphony Orchestra that evening for free and may bring one adult paying only half price for their ticket (subject to availability). Tickets for the evening concert will be allocated on the day of the Master Class and payment by cheque or cash must be made then. Please see the website for more details of the concert at [www.mso.org.uk](http://www.mso.org.uk). Further details of the Master Class can also be found on the website "News" page including a printable booking form.
